If service is disconnected on a leased digital receiver it must be returned to Lakeland Communications or a fee of up to \$500 will be charged. If a service call is requested with a leased Digital Receiver and or DVR and the problem is determined to be the customers, fees and labor will be charged. The customer is responsible for the complete care of the Digital Receiver and or DVR and that any negligence on their part resulting in damage, operation of the receiver or permanent visual blemishes may result in an associated charge. Lakeland Communications and its subsidiaries are not responsible for any associated components, e.g. Surround sound, VCR's, DVD's, DVR's etc... and therefore have no liability. Lakeland does not take any responsibility for electrical, power surges or lightening damage. We require that the customer use an electric surge protector with their digital cable service.

The package fee is billed one month in advance. Activation & package fee due before service is installed. Activation Fee: \$50.00 Includes: Programming of Digital Receiver - Activation at Ped. Signal to NID, and setup of 1st Digital Receiver. Additional Receivers can be set up at time of initial activation at no additional charge. (Activation does not include any wiring). Any additional consultation time will be billed at \$60.00 per hour plus materials. After the initial activation, any work, wiring or maintenance done at the customer premise will be billed at: \$60.00 per hour labor, material and wiring charges, along with a \$50.00 service call charge. Upgrades to digital connection cords can be purchased at time of install from Technician.

I understand and have read this application. I will abide by this application for service.
